Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing five (5) references to be considered by the Examiner. Also enclosed is one (1) foreign patent reference and/or non-patent literature as listed on the Information Disclosure Statement. Identification herein is not an admission that any of the references are prior art to the above captioned application.

Reference number 4 identifies a co-pending application filed by Applicant. Applicant directs the Examiner to this reference to consider whether the subject matter claimed, now or as may be amended in the future, as well as the associated prosecution history, now or in the future, may be relevant to the patentability of the present application (e.g., for reasons of obviousness-type double patenting). Applicant believes that the Examiner has access to the application and associated file history through the Patent Office (e.g., the IFW system). Accordingly, Applicant has not provided copies of this application or its associated file history, but would be happy to do so, now or in the future, should the Examiner so request.
